Demountable post pallets can be block stacked for maximum density of storage. These post pallets are suitable for wooden or plastic pallets. When not in use, the bases can be spiralled and stacked for economic storage.

The price is for the base only — posts are extra. Posts come in a selection of lengths as options. Post pallets can also handle long or awkward loads such as rolls of cloth which can hang out over the base. Designed to stack fully laden pallets up to 4 high. Standard unit accommodates 1000mm x 1200mm pallets; custom sizes available on request.
