Specifications	
Dimensions	1000 x 1200mm
External Height	1000mm
Internal Height	1025mm
Load Capacity	800kg
Stack	Up to 4 high
Unit Weight	33kg
Material	Mild steel wire with welded joints
Finish	Bright electro-zinc plating with lacquer coat

A versatile pallet retention unit with a removable front for excellent loading and access while still being stackable. Based on a standard 1000mm x 1200mm wooden pallet, the sides lock on first and then the back is fitted to hold the unit rigid.

Units can be stacked up to four high and can be taken apart and stored flat when not in use.
