# 3 Step Budget
## 750mm

## Product Overview

**Z/STEP/3STEP/BUDGET**

**Free Delivery**

**Step Width**
550mm Standard
850mm Wide

**Options**

Galvanized
Rubber Wheels
Basket
Rear Safety Bar

Mobile Steps lead time is generally 7-10 Days. Whilst we stock the step components, the mobile steps are built to order. We would typically allow 3 days to build the steps, a day to paint them and then dispatch the ladders on a 3-day service.

| Dimensions | Standard Step Width (550mm) | Wide Step Width (850mm) |
|---|---|---|
| Platform Height From Ground | 750mm | 750mm |
| Overall Length | 850mm | 850mm |
| Overall Height | 1750mm | 1750mm |
| Frame Width | 590mm | 890mm |
| Overall Axle Width | 760mm | 1060mm |
| Platform Size | 550mm x 380mm | 850mm x 380mm |
| Step Tread Width | 550mm x 200mm | 850mm x 200mm |
| Step Tread Vertical Spacing | 250mm | 250mm |
| Weight Standard Width | 26kg | |
| Load Capacity | 300kg | 300kg |

Our budget range of mobile steps is still just as heavy duty as our standard ladder range. The structure is identical, we have simply removed a few features to lower the cost. The small front wheels and lever brake have been replaced with simple “wheelbarrow” style handles to move the steps around. The kick plate around the top platform has also been removed.

This range of budget mobile steps is ideal for sporadic and occasional use, e.g. accessing archive files, periodic plant inspection, or changing light bulbs! If intended for regular use in a warehouse, your staff won’t appreciate the repeated lifting to move them, especially on the bigger mobile steps!

The mobile ladder is fitted as standard with our industrial hi-grip steps, providing enhanced grip and stability and safety operating sticker. We can offer the ladder in a wider step width of 850mm, or any custom size as required.

Mobile steps are painted as standard, or can be galvanized.
