This is a premium quality extremely tough Grit Bin made from medium density polyethylene which is virtually indestructable. The 400 litre bin has forklift channels. Lockable as standard these bins are ideal for roadside storage, car parks and company premises. The quality of these bins is second to none. These bins will not discolour or deteriorate through long term exposure to the elements. The hinged lid protects the grit or salt within. The lid has a GRIT logo moulded into the top so it wont scratch off. The locks are electro plated hasp and staple type and will not rust. The bin is available in a range of colours, you can choose the colours in the options. Yellow is held in stock.
