This Grit Bin is nestable and thus ideal for storage and cost effective transportation. These bins are ideal for those requiring a grit bin for a small office or domestic property. These bins will not discolour or deteriorate through long term exposure to the elements. The hinged lid protects the grit or salt within. The bins stack 32 per pallet and do not come lockable as standard. The bin is available in a range of colours, you can choose the colours in the options. Yellow is held in stock.
